Doug –

A quick note to acknowledge Kathleen's contribution to the group effort to finalize these documents. She was plopped into a 3+ hour meeting this past Friday (without much warning!) and provided very, very helpful advice on not only the CAA portions of the documents, but on other text as well. Simply put, we couldn't have done it without her!

Thank you and thank you, Kathleen!

Diane

Shawn and Bill –

Attached above are revised pre-spill, post-spill, and spill summary memos pertaining to the Freedom Industries spill that reflect ORC and HSCD's consideration of recent comments from HQs. As noted in the documents, we are continuing our evaluation of the application of various legal authorities.

Please call me (4-2496) if you have questions.

Thanks –
